Full Moon, The Masters[™] and [Arsenal - Man City](#) all in the same weekend. Is this a great country or what?

Joke of the Week[™] - Three blondes died in a tragic car accident on their way to Easter church services. They soon found themselves standing before St. Peter who told them before they could enter Heaven, they had to tell him what was the significance of Easter.

The first blonde said, "Easter is a holiday where we have a big feast and we give thanks and eat turkey."

St. Peter said, "Noooooo," and he banished her to hell.

The second blonde said, "Easter is when we celebrate Jesus' birth and exchange gifts."

St. Peter said, "Noooooo," and he banished her to hell.

The third blonde said, she knew what Easter is, and St. Peter said, "So, tell me."

She said, "Easter is a Christian holiday that coincides with the Jewish festival of Passover. Jesus was having Passover feast with His disciples when He was betrayed by Judas, and the Romans arrested him. The Romans hung Him on the cross and eventually He died. Then they buried Him in a tomb behind a very large boulder...."

St. Peter said, "Verrrrrry good, continue." . . . visit [The Reverend Tony](#)[™] for the **Joke of the Week**[™].
