**May 11, 2012**

Happy Mother's day and each of you earned one.

**Fútbol** - The final round of matches of the Premier League are a thoughtful gift for Mother's Day Sunday . . . . .NOT!!!

Relegation awaits either Queens Park [Rangers](#) or Bolton [Wanderers](#) and a championship trophy to either Man City or Man United.

QPR are at Manchester City who must win or risk losing the championship to hated cross-town rival Manchester United at Sunderland. [Arsenal](#) must win at the [Hawthornes](#) or risk Champions League qualification and the list goes on and on. Did I mention that each place in the table is worth an extra £1,000,000? Bless Fox for broadcasting all nine matches [from 9 am cdt](#) on Mother's Day Sunday.

**Joke of the Week™** - What do you give a mother who has everything? . . . visit [The Reverend Tony™](#) for the **Joke of the Week™**.

**Sun Hing say** "You can know ten lands and not know one man."

**Password** tonight is [Moanahonga](#). Peace, love and margaritas, I remain The Reverend Tony™.

**Polyticks** - Obambi say gay marriage is a matter for each state not federal which means no effect on federal law such as:

1. The gay surviving spouse will not receive Social Security survivor benefits or Medicare.
2. The gay marriage cannot file married filing joint income tax.

3. No unlimited marital deduction against the estate and gift tax.
4. No citizenship to the gay spouse from another country.
5. Not that there is anything wrong with that.

Light, sweet crude settled at \$97.08 down \$5.46 or 5.3% for the week as natural gas is up \$0.147 to \$2.487 or 6.3%. The €uro is down 2% at \$1.2951.
