**Joke of the Week**<sup>TM</sup> - A country widow goes into town to the newspaper and tells the editor “My husband died and I need to place an obituary.” The editor takes pencil and paper “Ok, go ahead,” he says.

The widow thinks for a minute then says “Jack Miller is dead” which the editor writes down. “Is that all” asks the editor “as the newspaper has a seven word minimum so you have three more words at no extra cost.”. . . visit [The Reverend Tony](#)<sup>TM</sup> for the **Joke of the Week**<sup>TM</sup>.

**Scam of the Week**<sup>TM</sup> - Please join The Reverend Tony<sup>TM</sup> for a preview of [Baconita](#), a new addition to the [Skinny Girl](#)<sup>TM</sup> line of cocktails. Made from 100%

**Fútbol** - [EURO 2012](#) finals come Sunday when Spain tangos with Italy for the championship. From 1:45 pm cdt on ESPN.

**Football** - The Reverend Tony™ is vindicated in the new college football playoff such as the Big Four Bowls rotate hosting the semi-finals and the NCAA, the premier money grubber, not that there is anything wrong with that, will soon realize that the Big Four Bowls should be the first round of knock out competition all played on New Years Day with a bank holiday if played during the working week.

Four teams, as proposed, is acceptable if all teams are from different conferences such as no rematches such as this year's LSU-Alabama which denigrated LSU's regular season victory over Alabama.

**Password** tonight is [Pirlo](#). Peace, love and margaritas, I remain The Reverend Tony™.

**Polyticks** - This will become boring boring boring unless you have an interest in The Constitution of US™ such as Article 1, Section 7

“All bills for raising Revenue shall originate in the House of Representatives; but the Senate may propose or concur with Amendments as with other Bills.”

As the Affordable Health Care Act originated in the Senate therefore Justice Roberts vote that it was a tax means that next time the Supreme Court will find that the entire Affordable Health Care Act is an unconstitutional tax.

130 days until US elects [Bakaboza](#) president.

**Formula One** - Only 142 days until the Grand Prix of Austin. The Circuit of the Americas, where the Grand Prix of Austin will be raced, is not within the city limits of Austin yet the [City of Austin is sending 6 people](#) on a junket to England to witness a real live Formula One race at an announced cost of \$5,556.00 which was in the travel budget.

The Circuit of the Americas is within the limits of Travis County yet the Travis County Commissioners Court decided not to send staff to the very same Formula One race in England.
