

Scam of the Week™

August 10, 2012

Joke of the Week™ - A man who had been caught embezzling millions from his employer went to a lawyer seeking defense. He didn't want to go to jail. But his lawyer told him, "Don't worry. You'll never have to go to jail with all that money." . . . visit [*The Reverend Tony™*](#) for the **Joke of the Week™**.

Fútbol - USA USA USA WOMEN WIN GOOOLLLLLLDDDDDDDDDD!!!!!!!!!!!!

RVP saga continues for reasons apparently unknown to the Euro but obvious to US as this is his free-agent season meaning next year his new team will not have to pay £20 Million to Arsenal for the last year of his contract and can apply some of that £20 Million to RVP's salary.

Arsenal has a win/win with either £20 Million or RVP's free agent year which in US sports is always a good/great year as the player is playing for the big big contract.

Scam of the Week™ - Congratulations to US taxpayers for our [\\$77,731 contribution](#) to support [Rafalca](#) and all of the US horses for a [6th place](#) finish in team dressage.

[Formula Une™](#) - Only 100 days until the Grand Prix of Austin with rooms still available from [\\$349/€429 with a four day minimum](#) which is nice.

Password tonight is [Bernie](#) which releases Tuesday week. Peace, love and margaritas, I remain The Reverend Tony™.

Polyticks - 88 days until US elects [Bakaboza](#) president.

Light, sweet crude settled at \$93.36 up \$6.23/7.1% for the week as natural gas stays level at \$2.945. The €uro is also also up at bit to \$1.2296.
