[Formula One™](#) - Only 58 days until the [Grand Prix of Austin](#) where the track faces a final pre-race inspection next Tuesday. Fortunate for COTA that the

entrance does not.

**Polyticks** - Just wondering out loud if Mittens will vote for himself as he is one of the 47% who pays no income tax. Most if not all of his W-2 or Schedule C income is paid with a carried interest which either goes into retirement or deferred or foreign sourced or given to children and grandchildren of which he has many. Any cash compensation is given to The Church with an offsetting income tax deduction. The only federal tax that Mittens might pay if the alternate minimum tax which he pledges to repeal if elected.

46 days until US elects a [Bakaboza](#) president.

Light, sweet crude settled at \$91.87 down 6.6% as natural gas is also also down 7.9% to \$2.797 taking back all of last week's gains. The Euro is steady at \$1.2967. Arbitrage baby just arbitrage.

[6 dead last week](#) in The War Without End, Amen™. 257 for the year and counting.
