

Scam of the Week™

September 28, 2012

Full Moon weekend and the first of the month, enjoy!!!

Joke of the Week™ - Ladies, if a man says he will fix it, he will. . . . visit

The Reverend Tony™ for the **Joke of the Week™** .

The Reverend Tony™ always looks forward to wishing happy birthday to

[Angie Dickinson](#)

who turns 73 on Sunday.

[HAAM Day](#) is next Tuesday so give early and often to something that really does make Austin special and weird. HAAM stand for Health Alliance for Austin Musicians which provides health care to working musicians living in Austin for a copay as none of them have insurance what with working lunch and dinner shift for [\\$2.13/ hour](#) plus tips so they can play music at night for cover or pass the hat. Welcome to the real Live Music Capitol of the World.

Big Bogus Dictionary™ adds ***Public/Private Partnership*** such as the Public contributes tax-free financing, no property taxes, dedicated sales tax, free

utility infrastructure and/or tax financing district while the Private contributes wire transfer instructions. So if you don't have a Public/Private Partnership then get one. You'll love getting business from the government.

Football - My father would have paraded around the neighborhood in his K-State shirt last Saturday night excepting he is dead, after his Wildcats spanked my Spooners 19-24. Worst of worst OU is off again this week before a visit to the high plains for Texas Tech.

The Mighty Mighty Horns [travel north](#) to Aguasingas for a Saturday night polka with the Aggies of OSUcks. Give the points and bet the wife and children as Texas will way more than cover 1.5.

Fútbol - Rise with the cocks for a 6:45 am cdt kick-off for a derby from The Emirates as [Arsenal plays host to Chelsea](#) aka Chelski as the team is owned by a Russian billionaire.

Sun Hing say "[If you want to get to the top, start at the bottom.](#)"

Password tonight is [Seafood Plate](#). Peace, love and margaritas, I remain The Reverend Tony™.

Formula Une™ - Only 51 days until the [Grand Prix of Austin](#) and surprise, surprise the track passed the [preliminary pre-race inspection](#) last Tuesday.

Polyticks - Could Paul Ryan's Buffet be right about a repeat of the Summer of 1979 when the effect of violence in the Muslim world such as [52 Americans held hostage in Iran for 444 days](#), caused a change in president

from Jimmy Carter to Ronald Reagan. Word to Mittens, you are no Ronald Reagan.

39 days until US elects a [Bakaboza](#) president.

Light, sweet crude settled at \$91.85 or steady freddie from \$91.87 last week. But natural gas is up big time 17.9% from \$2.797 to \$3.297 regaining last weeks loss. The €uro is steady at \$1.2917.

[2 dead last week](#) in The War Without End, Amen™. 259 for the year and counting.
