

*Scam of the Week*TM

November 9, 2012

Gabriel has blown his horn for **Darrell K Royal**, sunrise July 6, 1924, sunset November 7, 2012. Hard to believe that a man from Hollis, Oklahoma made University of Texas football and Willie, Waylon and the boys.

Darrell and Willie at the picnic 1974

My first encounter with DKR was in 1973, my first year at the University of Texas law school, when Matt's El Rancho was on the north side of Cesar Chavez across from what is now the Four Seasons which would become Matt's next location before the move to South Lamar in 1984 when the restaurant was traded and the parking lot was sold saving depreciation recapture on the building which is very very nice and can still be done today even after the Bush tax cuts expire.

Anyway I am seated where I can see Mr. Martinez greeting when in walks Mr. Royal and a long hair, redheaded fellow wearing a cowboy hat who I later figured out was Willie Nelson his own self.

Joke of the Week™ - In Las Vegas a beautiful blonde was down to her last \$20 at the roulette wheel. She pleaded to the guys standing around her tits “What should I do, what should I do?” visit [*The Reverend Tony™*](#) for the **Joke of the Week™**.

Scam of the Week™ - Texas 130 is now open to drive 85 mph, [wild hogs](#) notwithstanding so The Reverend Tony™ took advantage especially since it was daylight when the wild hogs don't run across the road and 130 is “toll free until November 11”. To make a long story and a very nice drive short, this happened Wednesday a week ago and the toll fee arrived by mail two days later. Toll of \$1.85 and no TexTag fine of \$1.10 for a total of \$2.95 which was paid on Monday with a check for \$3.00.

Football - Texas will operate out of the wishbone against Iowa State tomorrow from 11 am cst only on Longhorn Network. The Reverend Tony™ makes it 1-3 that the first play will be the option pass to the tight end made famous by [James Street to Randy Peschel at 2.30 of this video](#). Thrills me still. Oklahoma hosts Baylor from 2:30 pm on ABC.

[**The BCS Championship according to *The Reverend Tony™***](#) will now publish on Tuesday as the poll is released on Monday.

Fútbol - [Arsenal host Fulham](#) needing, really really needing all three points. From The Emirates, 9:00 am cst tomorrow on ESPN2.

Sun Hing say “You will get more than you ask for.”

Password tonight is [Dharma](#). Peace, love and margaritas, I remain The Reverend Tony™.

[Formula Une™](#) - Next Friday begins the first practice for the [Grand Prix of Austin](#), and The Reverend Tony™ has it on dubious authority that the usual telecast of the race including practice and qualifying will be blacked out in the Austin viewing market.

Polyticks - Congratulations to Obambi the 44th president of US.

Light, sweet crude settled at \$85.09 down 2.3% as is natural gas is teady freddie at \$3.608. The €uro is down a bit to \$1.2750.

[5 dead last week](#) in The War Without End, Amen™. 283 for the year and counting.
