

Scam of the Week™

February 1, 2013

World Tour continues at [Carnaval Brasileiro](#) this Saturday.

Joke of the Week™ - Wherever four Baptists are gathered together, there is visit [The Reverend Tony™](#) for the [Joke of the Week™](#).

Scam of the Week™ - Congratulations to [Jim Nabors and Stan Caldwallar](#) for finally tying the knot after 38 years of living in sin in the eyes of the law.

Adieu Austin as South Lamar Plaza, built in 1957 and home to [Heart of Texas Music](#), [Suzi's](#), Alamo Draft House, Casa Garcias, Mr. Gene's Hair Fashion Salon and several thrift stores, has been razed to make way for [high density development](#).

Fútbol - Arsenal must win 11 of the last 14 to finish 4th in the Premier League and qualify for Champions League. Somehow the chant of "Let's Go

Fourth” does not ring true. Arsenal featuring new boy Nacho Monreal host [Stoke City](#) from the Emirates at 9am ct online.

Football - Recruiting concludes next Tuesday and the All-Name Team is filling up with the likes of [Chocolate Wilson](#) who has committed to Marshall.

The Harbowl aka Super Bowl XLVII finds San Francisco favored by 3 1/2 over Baltimore which is odd considering the kicking as Raven kicker and former Mighty, Mighty Horn Justin Tucker is a difference maker plus he can sing.

As **Sung Hing** say “Is there someone else up there I could talk to?”

Password tonight is Shazaam. Peace, love and margaritas, I remain The Reverend Tony™.

Polyticks - What to do with a budget surplus as [The City™ wants to spend it's surplus](#) while [The Governor wants to return some to the taxpayers](#) and the key word is “surplus”.

The City™ has a “surplus” of \$14.3 Million out of a budget of \$3.1 Billion which means that The City™ has already budgeted 99.6% of projected revenue.

The Governor has a “surplus” only because of drastic cuts in state funding to education which means that local school districts fund those cuts and fund the additional students that are to be expected as a reasonable and necessary bi-product of the thousands and thousands of new jobs in Texas brought here by The Governor his own self. A self-defeating prophecy if ever was.

[Light, sweet crude](#) settled at \$97.49 up 1.6% for the week, as does natural gas fell 3.1% to \$3.39. The [Euro](#) is up to \$1.3574.

[0 dead this week](#) in The War Without End, Amen™. 3 for the year.
