

Scam of the Week™

March 29, 2013

World Tour continues with **Easter** from the late, great Bill Hicks.

Joke of the Week™ - Why do Easter bunnies hide their eggs? visit

The Reverend Tony™ for the **Joke of the Week**™.

Scam of the Week™ - According to the official 1837 map, the boundary between Texas and Mexico is the Nueces river.

Fútbol - **Arsenal** return from international duty to host **Reading** in a must win seven of nine to qualify. The break was not kind as Walcott has a torn hip flexor. Tomorrow at The Emirates, **online** only from 10:00 am cdt.

As **Sun Hing** say "Don't over-share -- it can only hurt the team."

Password tonight is **Billy Goat Hill**. Peace, love and margaritas, I remain The Reverend Tony™.

Polyticks - Three consecutive generations of Bush will be in public office as **George Prescott Bush** aka George Pee wants to be **Land Commissioner of Texas**. I feel a jingle coming on such as

"George P Bush should be Land Commissioner of Texas
The Land Commissioner of Texas should be George P Bush"

Apparently George Pee misunderstands the nature of the office from his campaign ad where he learned life's lessons from his Ganny rather than his grandfather President 41, his father Governor of Florida and his uncle President 43. Word to George Pee -- Land Commissioner of Texas only gets a dish named after you at Matt's El Rancho.

Light, sweet crude settled at \$97.23 up 5.2%, as natural gas rises 2.2% to \$4.024. The **€uro** is down to \$1.2822.

3 dead this week in The War Without End, Amen™. 19 for the year and still counting.
