Joke of the Week[™] - To the guy sitting at the bar drinking heavily, the bartender asks “What’s wrong, you look depressed?” The guy answers “I think my wife is dead.” . . . visit [The Reverend Tony](#)[™] for the [Joke of the Week](#)[™].

Big Bogus Dictionary[™] adds a lot this week if only the [Chief Innovation Officer for the City of Austin](#) job description including but not limited to “develop, test, organize and encourage *innovative best practices* in local government administration with the goal of fostering a culture of *innovation* within the City of Austin”. Key word is innovation.

Scam of the Week[™] - [Bike Buddy](#).

Fútbol - Sir Alex and Beckham Spice retire, isn’t it about time, eh?

Super Sunday will not be like last year when relegation, the league title and qualification for Champions League were decided as Man Puke have been champions for some time and QPR, Reading and Wigan are relegated. But Champions League qualification comes for [Arsenal](#) with a win over Newcastle at St. James Park even if Tottenham beat Sunderland at White Hart Lane. All matches from 10am cdt on Fox and ESPN with Arsenal on ESPN2.

Password tonight is **Dooring** Peace, love and margaritas, I remain The Reverend Tony[™].

Polyticks - The City of Austin does not need *innovative best practices* as much as it needs to do what it does best such as water, waste water, electric, garbage and streets such as fix the Y in Oak Hill even with a toll road such as 183 at 620. PS - The salary of the Chief Innovation Officer is reported to be \$300,000 per year which is nice work when you can get it.

[Light, sweet crude](#) settled at \$95.16, down 1.3% as natural gas steadied at \$3.932. The [€uro](#) is down a bit at \$1.2907.

[1 dead this week](#) in The War Without End, Amen™. 47 for the year.
