

Scam of the Week[™]

Austin, TX, June 21, 2013

World Tour continues with the **Summer Solstice** aka longest day of the year with the biggest full moon of the year on Sunday so watch out for flying chairs this weekend.

Joke of the Week[™] - Over breakfast a husband asked his wife, "Were you faking last night?" "No," she said. "I visit **The Reverend Tony**[™] for the **Joke of the Week**[™].

Scam of the Week[™] - **Cherubum** 7303 Burleson Rd., Suite 801, Austin, TX 78744.

Sun Hing say "If I can, I will."

Password tonight is **Push and Pull**. Peace, love and margaritas, I remain The Reverend Tony[™].

Polyticks - Again proving that even The Reverend Tony[™] cannot underestimate the stupidity of the Austin City Council which authorized spending **\$500,000 to install showers** for employees who bike to work. "It cuts down on healthcare costs, and also encourages biking and walking, cutting down on congestion costs."

Light, sweet crude settled at \$95.40 down \$1.29 as natural gas remains steady at \$3.877. The **€uro** falls to \$1.3197.

5 dead this week in The War Without End, Amen[™]. 70 for the year.
