

Scam of the Week™

Austin, TX, August 30, 2013

Joke of the Week™ - Jacob, age 92, and Rebecca, age 89, living in Miami, are all excited about their decision to get married. They go for a stroll to discuss the wedding, and on the way they pass a drugstore. Jacob suggests they go in. Jacob addresses the man behind the counter, "Are you the owner?"

The pharmacist answers, "Yes." Jacob continues "We're about to get married. Do you sell heart medication?" The pharmacist answers "Of course, we do." . . visit [*The Reverend Tony™*](#) for the [**Joke of the Week™**](#).

Fútbol - [**Arsenal**](#) host Tottenham for a Sunday morning cdt match after a 2-0 win over [**Fenerbahçe**](#) earned Champions League for Arsenal in Group F along last year's finalist Dortmund, Napoli and away to Marseille in the first match September 19, all as excellent road trips.

Scam of the Week™ - One half of one football game is Johnny Football's time for doing the crime that he did not do. During that first half Johnny F will be signing autographs for free at the Bush I Presidential Library and Museum which is weird because a museum is a place for relics from the past and Bush I has not yet passed.

[**Formule Une**](#) - Bernie Ecclestone is still untried for [**bribery**](#).

Football - If this season is anything like last night's Vanderbilt v Mississippi game then The Reverend Tony™ is going to add an extra dose of heart medicine to the formula of [**PlaciBox™**](#), the Magenta pill, It Cures Everything!!!

TCU v LSU (-4.5) at Jerry's World is the premier matchup followed by Cow Bells v Waving Wheat (-12.5) at Astrodome II¹ in Houston.

Sung Hing say "If you can't afford it, just finance it."

Password tonight is [Nancy Parsons](#). Peace, love and margaritas, I remain The Reverend Tony™.

Polyticks - The bad news is that Austin City Council [have revived development projects from 2006-2010](#) that otherwise would have or are expired because none of the 100+ projects are under construction. 2006-2008 were the last years of Bush II when the money was free and credit was easier than free. So if a project is not yet under construction then the money/credit for said project is gone, gone, gone.

But the good news is that the [Colossus of Willie](#) is revived too and could now be built for 1/2 the cost of the Bicycle Bridge on Lady Bird Lake™ thanks to wind technology.

[Light, sweet crude](#) settled at \$108.80 up \$3.77 as natural gas is up to \$3.618. The [Euro](#) is down a bit to \$1.3244.

[5 dead this week](#) in The War Without End, Amen™ = 96 for the year.
