

Scam of the Week[™]

September 20, 2013, Austin, TX

The World Tour continues with a full moon and the equinox Sunday as the nights grow longer.

Joke of the Week[™] - A man walks into a bar and orders a beer. While the bartender was getting his beer the man notices that the bar is empty except for him and a woman sitting alone at the far end of the bar.

When the bartender returns with the beer the man continues, loudly enough for the woman to hear, "I'd also like to buy a drink for the douchebag at the end of the bar." . . . visit [*The Reverend Tony*](#)[™] for the [Joke of the Week](#)[™].

Fútbol - **Arsenal** host **Stoke City** early early Sunday morning after a successful week taking all six points away at **Sunderland** and **Marseille**. Then away to West Bromwich Albion on Wednesday for the Capitol One Cup as naming rights permeate all sport.

Scam of the Week[™] - see Polyticks below.

Formule Une - Bernie Ecclestone is still untried for **bribery**.

Football - My hat, gloves and both shoes off to Johnny F Manziel as the Aggies covered 7 1/2 with 15 seconds left of a thrilling A&M 42 - 49 Alabama game.

Are the mighty mighty Horns becoming the college equivalent of the Dallas Cowboys or what? Both make money regardless of the quality of the product? It

do not matter as Texas looks to circle the wagons tomorrow night against Kansas State after a 23-44 spanking from Ole Miss who scored the last 30 points of the game. Mack Brown will be riding on a pig right out of town if the Horns don't win.

As Sun Hing say "At the Broken Spoke, you dance with everyone except who brought you."

Password tonight is [Baby Monkey](#). Peace, love and margaritas, I remain The Reverend Tony™.

Polyticks - His prayers are answered, free at last, free at last, praise the Lord Tom DeLay is free at last as the [3rd Court of Appeals reversed and acquitted](#) 2 -1 on party lines. Goodwin-R, wrote for the [majority](#) joined by Gaultney-R as Jones-D [dissented](#). Actually not quite free as the State will appeal to the Court of Criminals Appeals which will have to solve a Rubik's Cube to affirm the 3rd Court.

[Light, sweet crude](#) settled at \$106.39 down \$2.21 as natural gas rises to \$3.720. The [euro](#) is up to \$1.3526.
