**Polyticks** - Vote NO!!! on all [constitutional amendments](#) especially Prop 6 establishing a State Water Implementation Fund aka Water Bank where developers can get low interest, non-recourse financing for MUDs and PUDS all over the Edwards aquifer, the Hill Country and/or Houston/DFW.

Instead Texas should take a tip big-time from the [Bamberger Ranch](#) where cedar/juniper were eradicated, prairie grass and native trees were planted and the Hill Country springs were restored. We can't make it rain but we can make better use of the rain such as springs instead of cedar/juniper.
