

# *Scam of the Week*<sup>™</sup>

**December 27, 2013, Austin, TX**

**World Tour** continues with a Happy New Year to all except those who know who you are.

**Joke of the Week**<sup>™</sup> - When I thought about giving up drinking in the New Year . . . visit [\*The Reverend Tony\*](#)<sup>™</sup> for the [Joke of the Week](#)<sup>™</sup>.

**Fútbol** - **Arsenal** remain top after a double shot of boring, scoreless draw at home with [Chelski](#) and a fine come-from-behind win at [West Ham](#) on Boxing Day with a welcome return of German international [Lukas Podolski](#) who will be playing the rest of the season for a spot in the World Cup on the German team. Next up is a pint of brown ale at [Newcastle](#) who are in fine form then home to Cardiff on New Year's Day. Away Sunday from 7:30 am ct on NBCSports and home Wednesday from 9:00 am ct but only online at [NBCSportsSoccer](#).

**Football** - Oklahoma is a double digit underdog for the third time this year having lost/not covered at Baylor and won/covered big time at Oklahoma State. If Oklahoma can survive the headhunting by Alabama (-15) and get a punt return touchdown then Oklahoma might cover in the Sugar Bowl.

Who knows how the Mighty Mighty Horns will play Oregon in Monday's Alamo Bowl what with a lame duck head coach fighting for a bigger buyout<sup>1</sup> and seniors playing not to get hurt before the NFL draft.

---

<sup>1</sup> **Errata** - Mack Brown's buyout is not \$5.7 Million/year until 2020 but a "minimum of \$500,000.00/year". Negotiations are underway for \$1.3 Million/year if Mack gives up the corner office in Belmont Hall to the new head coach and leaves town.

Todd Graham will be coach of the Mighty Mighty Horns, the coach of the Mighty Mighty Horns will be Todd Graham. (To the tune of “Eugene Locke should be governor of Texas.”)

**Password** tonight is “Conneries”. Peace, love and margaritas, I remain The Reverend Tony™.

**Polyticks** - Sell UPS early and often as their complete and total failure to perform is a result of either incompetence or a sit-down strike at the facilities in Mesquite, Louisville, etc. which is more likely.

The snow storm two weeks ago in Dallas was conneries, excuse the French, as Dallas had worse snow last year during the Christmas week with no discernible impact on UPS delivery.

[Light, sweet crude](#) settles at \$99.55 up \$0.78, as natural gas remains at \$4.443. The [€uro](#) is steady freddie at \$1.3693.

[1 dead this week](#) in The War Without End, Amen™ = 129 for the year.
