

*Scam of the Week*TM

June 20, 2014, Austin, TX

World Tour continues tomorrow with the Solstice such as the longest day of the year for the north hemisphere and the shortest for the south such as Brazil.

Joke of the WeekTM - A very tall man walks into a bar, and a lady recognizes him as a famous Rugby player. They start talking and eventually go back to his place.

They start to make out, and the man takes off his shirt. On his arm, he has a tattoo that says REEBOK. "What's that for?" the lady questions. . . . *The Reverend Tony*TM for the **Joke of the Week**TM.

Scam of the WeekTM - Can **Squatty Potty**TM dethrone **Cherubum**TM?

Other great matches in the third round include and are not limited to [Mexico - Croatia](#) in Monday's late match, [Italy-Uruguay](#) in Tuesday's early match especially Mexico-Croatia as winner moves forward and loser goes home.

Password tonight is "[Walla Walla Bing Bang](#)". Peace, love and margaritas, I remain The Reverend Tony™.

Polyticks - That your property taxes are sky high is preaching to the choir, say Amen. Two words to remember before your protest is heard = Field Card which is data sheet for property and Evidence Packet because you are not going to win on the law which is stacked against the homeowner but rather on a technicality such as clerical error or mistake. After all it is government don't you know.

[Light, sweet crude](#) settled steady freddie at \$106.43, as natural gas falls a bit to \$4.548. The [Euro](#) is up a bit to \$1.3608.

[5 dead this week](#) in The War Without End, Amen™ = 30 for the year.
