

Scam of the Week[™]

February 20, 2015, ATX

GONG XI FA CHAI ! ! ! Exit the Horse, enter the Sheep. Creative, romantic, but insecure. From yesterday. Hooray! Hooray! Hooray!

Joke of the Week[™] A lawyer and a doctor are in a car accident on a slick city street. Neither is hurt but both are shaken. . . . visit [*The Reverend Tony*](#)[™] for the [Joke of the Week](#)[™].

World Tour continues Sunday with the [Academy Awards](#) hosted by Hedwig and featuring Richard Linklater's [Boyhood](#) which is not nearly as unwatchable as [The Grand Budapest Hotel](#) and one hour longer. As always The Reverend Tony[™] will not be backstage interviewing the winners and some losers too.

Fútbol Arsenal advanced in FA Cup 2-1 [Middlesbrough](#) and now face [Man Puke](#) in the quarterfinals at Old Trafford.

Now begins the fun, fun, fun with two games per week as **Arsenal** travel south to Selhurst Park for tomorrow's midday match with **Crystal Palace** then host **Monaco** next Wednesday in first leg of Champions League knock-out round.

Scam of the Week™ The **trip to Selhurst Park** is 1 hour 15 minutes whether by car, bus or underground.

Football 14 days until Spring practice begins for **Swooners** and 32 days for **Mighty Mighty Horns**.

Password tonight is "Shut up and deal".

Peace, love, and margaritas, I remain, The Reverend Tony™.

Polyticks On Tuesday Travis County Probate Judge Guy Herman ruled unconstitutional the Texas Constitution ban on same-sex marriage (Article 1, Section 32) but only after Texas Attorney General Ken Paxton failed to intervene after notice and within the time required by law. But the next day Attorney General Paxton was able to petition the Supreme Court to cover his ass and set aside Judge Herman's ruling.

Therefore today's question: "Is Attorney General Paxton (a) incompetent, (b) pandering (c) hypocrite or (d) forum shopping?". . . visit **The Reverend Tony™** for **The Answer™**.

The crux of Herman's ruling is Homestead Rights of surviving spouse guaranteed by **Article 16, Section 15** of the Texas Constitution. Otherwise the parent and siblings can and will kick the same-sex spouse out of the homestead

as sought by the mother and siblings in the instant matter. Word to Texas. “Your laws have been unconstitutional before such as slavery.”

But the real untold story of same-sex marriage is Money, Money, Money such as Social Security Survivor benefits, homestead rights, exempt property rights, life insurance, COBRA, and the list goes on and on.

[Light, sweet crude](#) settled at \$51.16 steady freddie, as natural gas is up 4.5% to \$2.834. The [Euro](#) is steady freddie too at \$1.1365.
