

Scam of the Week[™]

February 27, 2015, ATX

World Tour continues with [21 days until spring](#).

Joke of the Week[™] One beautiful spring afternoon Jack and Jill were walking home from first grade when all of a sudden Jack drops his pants, flashes Jill and says “I bet you don’t have one of these?” . . . visit [The Reverend Tony](#)[™] for the [Joke of the Week](#)[™].

Scam of the Week[™] 9 days until daylight savings time to which The Reverend Tony[™] say Constitutional Amendment that daylight savings time cannot begin before April 15 and you can get an automatic extension until October 15 by filing [Form 4868](#).

Gone Austin[™] adds [Jack in the Box](#) on The Drag[™] because of an Austin Story from 1973 which can now be told as statute of limitations has run.

Fútbol Arsenal held on at [Crystal Palace](#) 1-2 then were suicidal in defense at home losing 1-3 to [Monaco](#) in first leg of Champions League. Now **Arsenal** must win the second leg at Monaco by more than three goals in order to advance. Not bloody likely.

Sunday [Everton](#) visit The Emirates and **Arsenal** really, really needs to get on the good foot so expect a reshuffle of the line up maybe [Szczesny](#) in goal and newboy Gabriel at center back. Then a [quick trip southwest](#) to [Loftus Road](#) for mid-week must win derby with [Queens Park Rangers](#). Sunday from 9am cst on NBCSports and Wednesday from 1:45pm cst on [ArsenalPlayer](#).

Football 7 days until Spring practice begins for **Swooners** and 25 days for **Mighty Mighty Horns**.

Password tonight is “The length of your lips.”.

Peace, love, and margaritas at **Matt's**, I remain, The Reverend Tony™.

Polyticks Austin City Council voted 6-5 to send Mayor Steve Addled’s plan to double his staff to Committee which will recommend to double the staff of every Council member AND a District Office with its own Assistant City Manager.

This is a classic example of Parkinson’s Law in practice such as “Government expands so as to exceed the budget available for its purposes.”

Light, sweet crude settled at \$48.17 down 5.8%, as natural gas is down 4.8% to \$2.697. The **€uro** is down 1.5% at \$1.1199.

0 dead this week in The War Without End, Amen™ = 0 for the year which is excellent but hard to believe.
