Polyticks Development in the [Shoal Creek watershed](#)

should bear its share of responsibility for the Memorial Day Flood and this is before [The Grove at Shoal Creek development](#).

Maybe, just maybe before building a flood control tunnel under Shoal Creek, ATX should limit development/runoff in the Shoal Creek watershed such as The Grove which will go from 100% pervious cover aka green space to 70% impervious cover aka not-green space.

Light, sweet crude settled at \$57.68 down 5.0%, as natural gas is down 8.2% to \$2.706. The €uro is \$1.0951 down 1.6%.
