Joke of the Week[™] A mother superior tells two nuns that they are remodeling the cloister and that they are to paint their room without getting any paint on their habits.

At their room one nun says to the other, "Let's take off all our clothes, put them out of the way and lock the door?" The other nun agrees so they take off all their clothes and begin painting the room.

Soon there is a knock on the door. "Who is it?" asks one of the nuns . . . visit [*The Reverend Tony*](#)[™] for the [**Joke of the Week**](#)[™].
