**Joke of the Week™** Every day on his way home from school a third grade boy walks by the house of a fourth grade girl. One day he sees her playing in her front yard so he drops his pants, points to his privates and says, "I have one of these and you girls don't!" . . . visit [The Reverend Tony™](#) for [Joke of the Week™](#).

**Polyticks** English translation of "uber" is "above" which fits big time as the Uber financed petition drive finds ATX with \$800,000 election in May on a new city ordinance written by Uber which would let Uber operate without regulation, continue the taxi and limousine regulations and make ATX pay for it all. Now that is what The Reverend Tony™ calls law from above.

[Light, sweet crude](#) settled down really big time 17.4% at \$26.21, as natural gas is steady freddie at \$1.990. The [euro](#) is up a wee bit at \$1.1330.
