

Scam of the Week[™]

June 7, 2019 Austin

World Tour continues without Roky Erickson, sunrise July 15, 1947, sunset May 31, 2019. [#129 Austin IQ Test](#). First met Roky when he was indefinitely committed to [Rusk State Hospital](#). Then had good fortune of several performances at Continental Club last century when South Congress was a bit different such as hookers working Austin Motel across the street. Final time at Paramount for the preview of [You're Gonna Miss Me](#), a nice telling of Roky Erickson, the mother of psychedelic music.

Joke of the Week[™] The only difference when I diet is instead of saying, "I ate . . . visit [The Reverend Tony](#)[™] for **Joke of the Week**[™].

Football 85 bottles of beer until **Sooners** kick off with Houston and **Mighty** **Mighty Horns** kick off with LA Tech. **Sooners** get two 2020 commitments, [Seth McGowan, running back Mesquite Poteet](#), and [Brian Darby, wide receiver, A&M Consolidated](#).

Fútbol 64 bottles of beer until Premier League and **Arsenal** has not bought/sold yet.

Password tonight is "[footboard](#)".

Peace, love, and margaritas at [Matt's El Rancho](#), I remain The Reverend Tony[™].

Polyticks[™] 28 days until The Reverend Tony[™] announces.

Trumpster Fire of the Week™ [European Vacation](#) Trumpster style featuring all adult children. Key word is adult. Apparently Baron is still Pootin's hostage. Alas a "next gen" meeting did not occur. Quel fromage.

Trump's Tariffs wreck havoc on the stock market, wild fluctuations, so much so that an insider could make a quick fortune by shorting the "to be effected" industries. Fortunately for **US**, none of Trump's insiders would ever think of doing such.

[Light, sweet crude](#) settled down again big time 7.1% at \$52.59, as natural gas is also also down big time 8.8% at \$2.324. But [Euro](#) is up 1.2% at \$1.1273.

[0 dead this week](#) in The War Without End, Amen™ = 23 for 2019.
