

## *Joke of the Week*<sup>TM</sup>

Aggie goes to the beach and sees a Teasip surrounded by beautiful young ladies. Aggie notices that Teasip is puny not muscles like Aggie but the beautiful young ladies still flock to him.

All day Aggie struts up and down the beach and doesn't get a second glance from any young ladies. Finally Aggie asks Teasip how he gets the beautiful young ladies.

Teasip says, "It's simple, just go to the grocery store and buy a large potato and put it in you swim trunks."

Aggie goes straight to grocery, buys the biggest potato he can find and puts it in his swim trunks goes back to the beach. Aggie not only doesn't attract any young ladies but they seem to avoid him. So the Aggie asks Teasip again, "I got the biggest potato I could find and put it in my swim trunks but it didn't work."

Teasip tells Aggie, "In the front, put the potato in the front!"
