

## Presidential Debat Drinking Game<sup>1</sup>

	Obama	Romney
1 drink	“Let me be clear”	“Entrepreneur”
2 drinks	“Let me be perfectly clear”	“Business/Jobs”
3 drinks	“Let me be absolutely clear”	“Ronald Reagan”

### How it's played

When the opposing candidate says the magic words you must drink the number of drinks. For instance when Obama says “Let me be clear” then Republicans take 1 drink. When Romney says “business or jobs” then Democrats take 2 drinks. When Romney mentions Reagan or Obama says “Let me be absolutely clear” then everyone takes 3 drinks. <sup>1</sup>
