

*Joke of the Week*TM

A man purchases a new Mercedes to celebrate his wife leaving him and is out on the interstate for a nice evening drive. The top is down, the breeze is blowing through what was left of his hair so he decides to open her up. As the needle jumps up to 80 mph, he suddenly sees flashing red and blue lights behind him.

"There's no way that cop can catch a Mercedes," he thinks to himself and opens her up further. The needle hits 90, 100.....Then the reality of the situation hit him. "What am I doing?" he thinks and pulls over.

The police officer comes up to him and takes his license without a word, examines it and the car then says "It's been a long hard day, this is the end of my shift and it's Friday the 13th. I don't feel like more paperwork, I don't need the frustration or the overtime, so if you can give me a really good excuse for your driving that I haven't heard before, you can go."

The guy thinks about it for a second and says, "Last week my wife ran off with a cop. I was afraid you were trying to give her back!"

"Have a nice weekend," says the officer.
